## FOREWORD

It is hereby informed that Dhopahat Milan Sangha has stepped on its 34<sup>th</sup> year. From 1978 up till now the society has carried out multifaced social activities. The old mud/feme wall structure has been replaced by a brick built pucca structure which houses the societies new office.

Another very important and good news on behalf of the society is that with the financial help of Govt. of West Bengal's District Rural Development Cell a residential Vocational Training Centre measuring about 2300 sft. has been constructed on Dhopahat Milan Sangha's own land. The Building has been done organise any Seminar, Workshop, Meeting or any other important event block wise or district wise.

Since 1978 involving various Government, Non-Government and other agencies we have successfully carriedout various developmental projects and we are still doing the same. We are committed to successfully execute certain projects like Oldage home, Destitute home, Orphanage, Mobile health unit etc.

There are lots of activities in todays world which are yet unknown to us. It is our endeavour to excavate those activities and implement them for the development and betterment of the society. Dhopahat Milan Sangha is dedicated towards the development of the backward strata of the society.
